The Parkland Promise™

The Parkland Promise™ provides peace of mind knowing every detail has been considered to ensure your continued satisfaction and quality of life. This is your home and our team is proud to work where you live. Our lifestyle options, amenities, programs and services combine to make Parkland a place where you can live your best life.

Residents First

Resident feedback constantly guides and inspires our team. From the design of our communities to the menus, services and programs, Parkland's team works to ensure our offerings reflect resident preferences. Team members are committed to being compassionate, honest, professional and safe while delivering exceptional service at every turn.

Money Back Guarantee*

Resident wellbeing, happiness and quality of life is at the centre of all we do. From your first visit to the day you sign a lease, our team works to understand your lifestyle, needs and preferences. We are so confident in our process to help you get settled, familiar and connected with life at Parkland that we offer a 30-day Money Back Guarantee. Residents who are less than satisfied will receive one month's suite rental in full.

One Monthly Bill

To help you spend more time doing what you love, Parkland offers a single monthly bill outlining your selected lifestyle option costs (heat, hot water, electricity, local phone, basic cable and common area Wi-Fi are included), plus a detailed account of any additional services you purchase.

No Long-Term Contracts

Our team understands the challenges of long-term contracts, especially year-long leases for seniors who may be faced with an unexpected need to relocate. At Parkland, your peace of mind is our first priority, which is why we only require a calendar months' notice when you choose to leave our community.

Priority Access

At Parkland, when a situation arises where your needs or preferences require a move, our team will do all we can to facilitate a smooth transition. Regardless of the size of the waitlist from the external community, our priority access promise would apply to residents who:

- Are requesting to change their suite type, so when a suitable option is available, they will get first selection over and above those on a waitlist.
- Are moving from one Parkland community to another, in a similar lifestyle option.**
- Need more services or care that require a change in lifestyle option, such as moving from an independent to a supportive lifestyle within their current or a different Parkland community.**
